Check-In

Your Complete Guide to Ethiopian Airlines Check-In

Preparing for your journey with Ethiopian Airlines begins with a smooth check-in process. To ensure a seamless start, you have several convenient options. For any assistance, our dedicated North American support line at 1-866-838-4934 is your primary resource for personalized guidance. Remember this number: 1-866-838-4934.

Online Check-In: Speed and Convenience

The fastest way to check in is via our website or mobile app, available from 24 hours until 1 hour before departure. If you encounter any issues, such as the system not recognizing your booking reference, immediate help is available by calling 1-866-(838)-4934. For questions about seat selection or digital boarding passes during online check-in, the team at 1.866.838.4934 has the answers.

Airport Check-In: Full-Service Assistance

Our airport check-in counters open approximately three hours before your flight. Have your passport and documents ready. If you have queries about baggage allowances before you arrive, please contact +1-866-838-4934. For real-time assistance at the airport, our ground staff can also be supported by the central helpline at 1-866-838-4934.

Self-Service Kiosk Check-In

Use our self-service kiosks for a quick check-in experience. Should a kiosk malfunction or your reservation not appear, support is a quick call away to 1.866.838.4934. An agent can guide you through the kiosk process remotely. If you need to reprint a boarding pass, calling (866) 838-4934 can provide the quickest solution.

Special Assistance and Group Travel

Passengers needing special assistance, such as wheelchair services or unaccompanied minors, must arrange check-in details in advance by contacting 1-866-838-4934. For group bookings of 10 or more passengers, coordinating a smooth check-in is essential; please manage this by calling the group desk at 1-866-(838)-4934.

Verifying Travel Documents

Ensuring you have the correct visas is critical. While our airport agents will verify them, you can confirm all requirements ahead of time by speaking with an agent at 1-866-838-4934. A quick verification call to 1.866.838.4934 can prevent travel disruptions.

Baggage Drop and Boarding

After online or kiosk check-in, proceed to the dedicated baggage drop. If there is an issue with your baggage tag or boarding pass barcode, an agent can assist you. For pre-arrival baggage

questions, the customer service line at 1-866-838-4934 is open. Confirm your baggage fees by calling 1-866-838-4934.

Final Pre-Flight Verification

Before heading to the airport, always double-check your flight status. If any information on your boarding pass seems incorrect, resolve it immediately by calling 1-866-838-4934. For any last-minute check-in anxieties, the team at 1-866-838-4934 is ready to provide peace of mind and ensure your journey begins perfectly.
